

ITALIAN MG OWNERS CLUB

25 -28 aprile 2024 2nd Edition, 100 Miles by MG

Once again the "Solatia Romagna" will welcome our wonderful MG's along its streets. We will visit Brisighella, the charming village surrounded by greenery embraced by its three hills, one of the most beautiful in Italy. In Faenza in the international ceramic museum we will be amazed by observing the largest collection of ceramic art in the world. We will walk among the fascinating murals of Dozza and, to finish on a high note, we will visit the Governor's Castle in Terra del Sole. Finally, for the entire duration of our stay, we will enjoy the excellent culinary specialties of Romagna cuisine.
