

ITALIAN MG OWNERS CLUB

CALENDARIO DELLE MANIFESTAZIONI 2024

19 -21 luglio 2024 Coast to Coast in MG dal Tirreno all'Adriatico

From the Mediterranean to the Adriatic, from West to East this rally takes our MG's across the Italian peninsula, crossing the Apennines. After leaving the ancient capital of Etruria Tarquinia, home to the most important Etruscan museum in the world, we will travel along the winding roads of Lazio, to go up to Lake Piediluco. We will move to Leonessa and then to Norcia with short visits and then go up to Castelluccio di Norcia and immediately after lunch in Acquasanta Terme. Following the road along the Tronto river we will reach Ascoli Piceno, the city of white stone, finally reaching San Benedetto del Tronto, completing our "mission" of having joined the two seas.
